

INSERVICE TRAINING

FRIDAY, NOVEMBER 9th 9am-3pm

Join us for this ***FUN & INTERACTIVE*** training using the internationally recognized Project WET Curriculum and Activity Guide. The exciting guide includes 63 age-appropriate activities on our most precious resource, ***WATER***, created and tested to comply with national educational standards for science, math, reading, writing, social studies, geography and more....

Cost: \$40. Includes lunch and Project WET Curriculum and Activity Guide (\$20 value). Full scholarships and a \$50 mini-grant are available for teachers from Gunnison and Hinsdale County school districts.

Location: Upper Gunnison River Water Conservancy District Office: 210 W. Spencer Ave, Unit B, Gunnison, CO 81230

To Register Contact: Anthony Poponi at (970) 596-7496 or director@coalcreek.org

This workshop brought to you through the generous support of:

Gunnison County Electric Association
