

## **SARA BERGSTROM**

Sara Bergstrom was appointed to the UGRWCD in July 2021 representing Division 8, the City of Gunnison. Her term expires in 2022. Sara is a Civil Engineer and has worked for the past 25 years on a variety of water projects in both the private and public sectors. Sara has worked on the planning, designing, building and maintaining of water systems for both potable use and non-potable uses. Sara looks forward to applying her engineering background to assist in finding solutions for water conservation and efficiency in the face of continued population growth and climatic variation. She holds a B.S. in Civil Engineering from Metropolitan State University of Denver.
