

EVEN THE GUNNISON RIVER GOT SOME SPRING CLEANING!

On Saturday, May 13th, the UGRWCD partnered with the City of Gunnison to help with the annual Community and River Clean-Up. A big shout out to the Jason Lakey, Andy Sovick and the rest of the Gunnison Waves crew and volunteers who helped clean up the Gunnison Whitewater Park at the river. Jason says, "Saturday's Whitewater Park Clean Up was very successful. We had roughly 50 people helping out. There is virtually no trash or dog poo left in the park so it is ready to see high water. The park is really buffed out. People had a lot of fun and we're excited to be a part of giving back to the community. " Now, let's all do our part to keep it that way. Please use the dumpster at the park to pick up after yourself and your dog and if you see something floating in the river that shouldn't be, thanks for pulling it out. Everyone who turned in trash got to enjoy a pulled pork tacos from 5B's BBQ and had the opportunity to win Gunnison Greenbacks and other prizes. A big thank you to all who took part!
