

BAILEY FRIEDMAN JOINS THE UGRWCD AS WATER RESOURCES PROJECT MANAGER

Bailey Friedman joined the District in September 2024 as a Water Resources Project Manager. She is a 2018 graduate of Cal Poly Humboldt with a Bachelor of Science in Wildlife Management and Conservation with a minor in Applied Statistics. She worked for five years as a Southwestern Riparian Partner Biologist with American Bird Conservancy and NRCS in California focusing on riparian restoration on private land. Her work focused on restoration for listed bird species such as Southwestern Willow Flycatcher and Least Bell's Vireo. Bailey grew up in Southern California developing a passion for the outdoors and wildlife. Free time is spent with Dixie her dog. Bailey plans to continue her education at a graduate level in the future.
