

STUART ("Stu") ASAY

Division 6, Ohio Creek

Dr. Stu Asay was appointed to the UGRWCD Board of Directors on August 25, 2025, representing Division 6, Ohio Creek. His current term expires in June 2026. Stu has extensive professional experience and education in the fields of wastewater administration, municipal utilities, and engineering. He is a registered professional engineer in Colorado and certified in water and wastewater treatment. He is currently serving as a trustee for the Rocky Mountain Section of the American Water Works Association and received a Fellow Award from the American Society of Sanitary Engineering. Asay earned his undergraduate degree from the University of Wyoming in civil engineering and received postgraduate degrees in business administration and environmental engineering.

Stu moved to the Gunnison Valley in 2018 and is presently the President of the Ohio Meadows Homeowner's Association. In his spare time, he enjoys being a ham radio operator.
